

A romantic scene of a bride and groom walking away from the camera on a sandy beach. The bride is on the left, wearing a white lace wedding dress with a long, flowing train. The groom is on the right, wearing a light-colored suit. They are holding hands and walking towards the ocean. The sky is filled with soft, golden light from a setting or rising sun, with scattered clouds. The waves are gentle and white-capped. The overall mood is peaceful and celebratory.

BLOW BEACH HOUSE

A UNIQUE LOCATION

Located on the southernmost stretch of beach in The Hague, right next to the Zandmotor, you are surrounded by nothing but nature. BLOW offers a breathtaking and calming setting and is more than just a place. It is an experience. We start the good times early and keep going late. Stop by, breathe in the fresh sea air and stay for the sunset. Arrive as a guest and leave as a friend.

We are flexible and enjoy thinking along with you to create an unforgettable experience. From a small beach barbecue to an exclusive corporate festival, from a volleyball tournament to an Expedition Robinson style challenge, and from a bachelor party to an unforgettable wedding. We embrace every opportunity to celebrate life.

GETTING MARRIED ON THE BEACH

A sun drenched day, clear blue water and a beach that seems to stretch as far as the eye can see. Nestled among the dunes of Kijkduin you will find a unique and original wedding location to celebrate your love story.

The ultimate setting for a romantic beach wedding barefoot. Where simplicity meets luxury. Say 'I do' as the waves roll onto the shore and raise a glass with golden sand between your toes. BLOW is perfect for cocktails, bites and meaningful moments together. An idyllic setting to finally say it out loud.

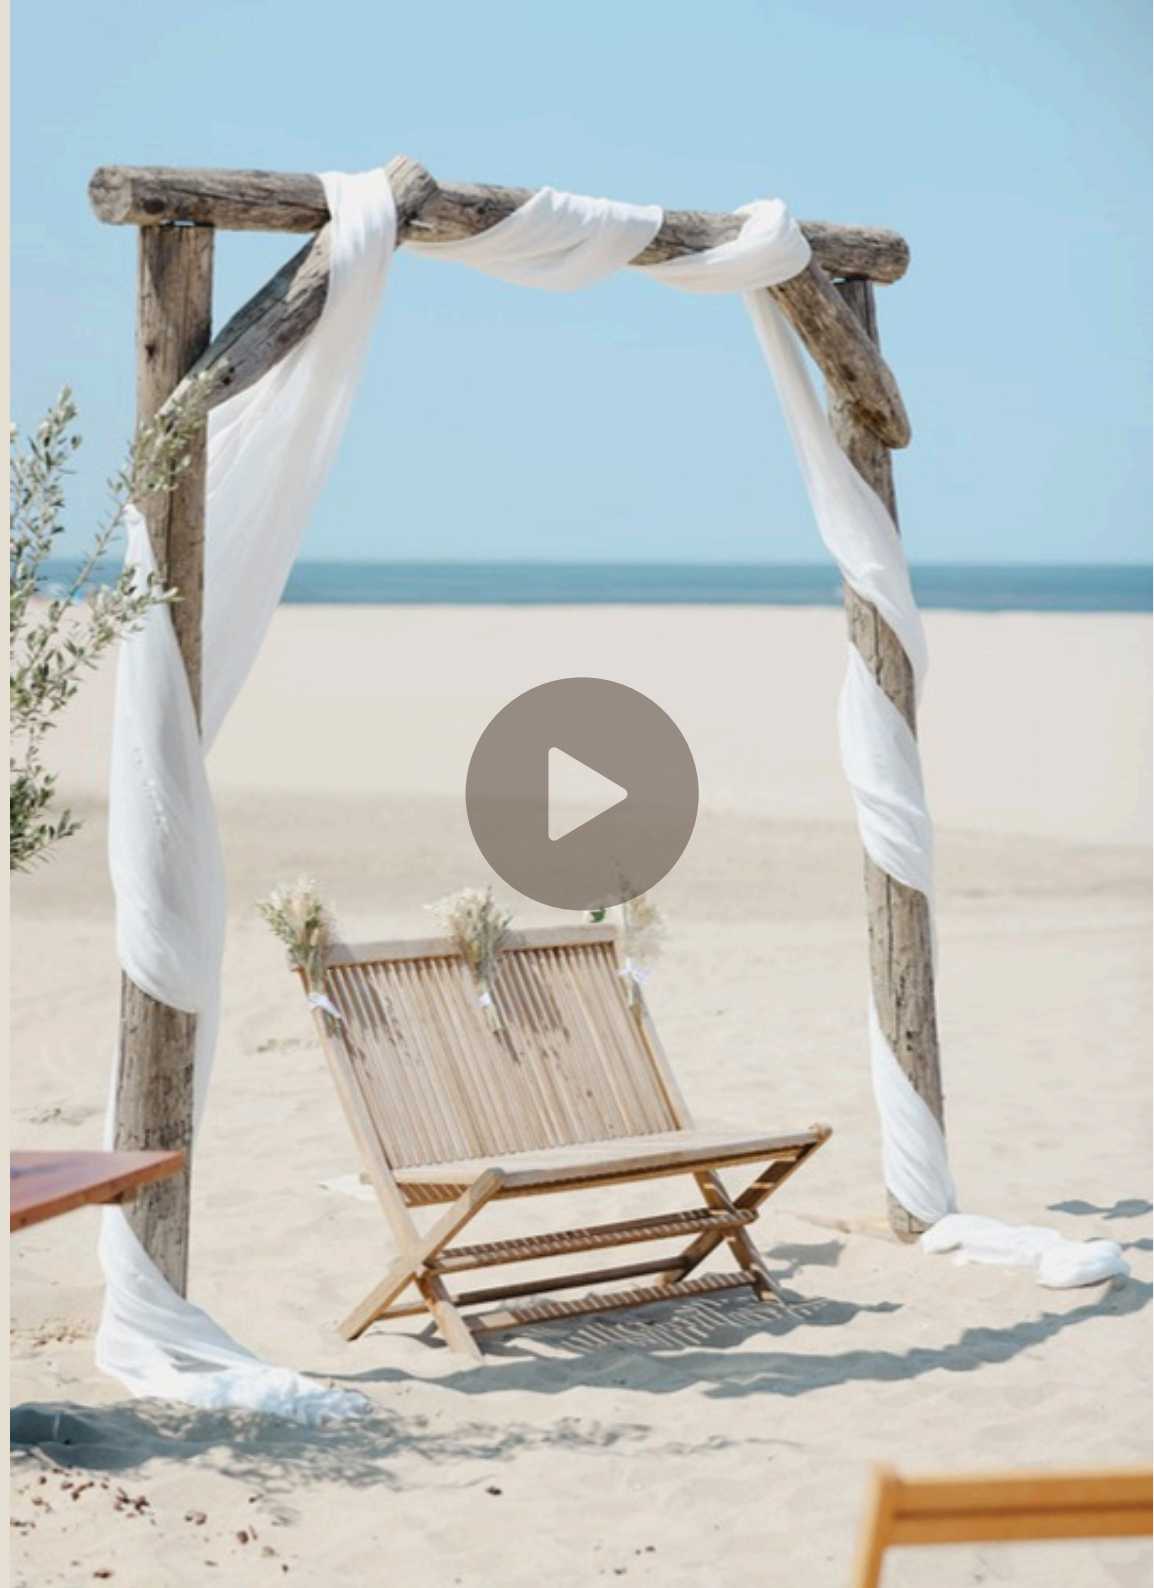

With care we create a menu of our finest dishes, prepared with fresh ingredients and quality products. A dedicated team that takes care of everything. All to make it an unforgettable day.

OUR STORY

BLOW is a unique venue with endless possibilities. We offer a spacious private terrace with a retractable roof and uninterrupted views over the Zandmotor, a private beach access where the ceremony takes place and not to forget a private Tiny House and bar serving ice cold drinks.

From the terrace all guests can easily make their way to the ceremony. Depending on your wishes we can host the dinner on the beach, followed by a lively celebration on our back terrace. Prefer the full beach experience and celebrate the entire day by the sea? No problem, we think that is the best choice too.

THE CEREMONY

A picturesque arbor, chairs set in the sand, a warm summer sun and heartfelt words before you say “YES” to each other. That is what we love to create, with all eyes on you.

We offer different setups for both good and bad weather. A ceremony on the beach, under our stretch tent, on our sheltered back terrace or fully covered beneath our brand new retractable roof.

We make sure everything is prepared as discussed, including a romantic setting for the couple, an officiant’s table, a microphone and ample seating for all guests.
